Alan Hill & Jim Toth were assigned to coach each team! We got all the pitchers together and then Alan & Jim started alternating their team pics for pitchers and then they did the same with the regular players. As it turned out, we wound up with very even teams. We did not have to bring in a team to play this year! Harry Feld brought his umpiring equipment so he elected to be the plate ump. We had another volunteer in Ted Ackerman who did the infield umpiring and did a great job! Everyone had a lot of fun! We played 9 innings and it turned out the teams were pretty evenly matched as the final score was 11-10. A great time was had by all!

\*There were several players that played but we did not get their names. So we were not able to add them to the team rosters\*
