Qualifying Statement for the
2021 National Senior Games presented by Humana

This is an unprecedented situation for the National Senior Games Association (NSGA) that required a one-time adjustment for the 2021 National Senior Games.

NSGA has established a registration process which includes a Priority Registration Period for qualified athletes followed by an Open Registration Period.

Qualification for Priority Registration Period

- If Delaware Senior Olympics is ABLE to conduct Games or specific sports/events in 2020, the qualification standards for the sports/events as specified in the 2021 NSGA Rulebook will determine qualifiers. In addition athletes from Delaware Senior Olympics who qualified for the 2019 National Senior Games in Albuquerque, NM will also qualify in the respective sports/events for the National Senior Games in 2021 (i.e., qualifiers from 2018 respective sports/events from that state’s senior games).
- If Delaware Senior Olympics is UNABLE to conduct Games or specific sports/events in 2020, athletes from Delaware Senior Olympics who qualified for the 2017 National Senior Games in Birmingham, AL and/or 2019 National Senior Games in Albuquerque, NM will qualify in the respective sports/events for the 2021 National Senior Games (i.e., qualifiers from 2016 and/or 2018 respective sports/events from Delaware Senior Olympics).
- The number of registrants may be limited for certain sports.

Open Registration Period

- An Open Registration period will also be offered to accommodate athletes age 50+, who were unable to attend or qualify at a state senior games in 2020.
- The number of registrants may be limited for certain sports.

Change in Power Walk Qualification

- Power Walk will continue as an Open Sport for the 2021 National Senior Games presented by Humana. Qualification will not be required for Power Walk.

NSGA reserves the right to make further adjustments to National Senior Games qualification and registration.

At this time, there are still unanswered questions about the games. We waited as long as we could to make decisions concerning what we felt we could schedule. There is no guarantee that our present line up will remain. But we think it has a good chance to do so safely. 32 states have cancelled their games entirely including the Huntsman games in Utah. Some of the remaining states have cut back on what events are being offered, just like us. If we need to make further changes, we will communicate them as soon as we know.

Keep safe and healthy.
